SNAPPY IS SHOW NOW AT VICTORIA

Clean and Strictly Up to Date
Vaudeville is Presented
There.

The theater going public of Clarks-
burg who appreciate good, clean,
snappy and up-to-date vaudeville
will have a treat in the bill at the
Victoria theater the last half of the
week as it is a hummer.

The old saying that a poor begin-
ning makes a good ending, surely
holds good with the show as Ben Hil-
bert, the comedian, in starting off the
show is weak, considering the rest of
the show.

The second act, Conroy and Ray-
mond, in their singing, talking and
dancing act are very good, and were
repeatedly encored by the audience
at the performance Thursday night.
Both members of the act have good
voices and their songs made a hit
with the audience, while their dancing
was very good.

The last act on the program, the
feature act of the show, was a scream
from the time Tom Grimes, the com-
edian of the trio, made his appearance
on the stage, until he was carried off
when the curtain was run down. His
line of up-to-date jokes have never
been equaled on the local vaudeville
stage. His companions also were
very good.

JURY DISAGREES.

At a night session of the criminal
court Thursday, a jury in the case
of Dominick Casemero, tried for the
murder of William E. Smallwood near
Lumberport last June, failed to reach
a verdict and it was discharged from
the case. The case was continued
until the next term of the court.

MILLIONS OF FOLKS USE ONLY CASCARETS

They Never Have Headache, Bilious-
ness, Sluggish Liver or Bowels
or a Sick, Sour Stomach.

No odds how bad your liver, stom-
ach or bowels; how much your head
aches, how miserable and uncomfort-
able you are from constipation, indig-
estion, biliousness and sluggish in-
testines—you always get the desired
results with Cascarets and quickly too.
Don't let your stomach, liver and
bowels make you miserable another
moment; put an end to the headache,
biliousness, dizziness, nervousness,
sick, sour, gassy stomach, backache
and all other distress; cleanse your in-
side organs of all the poisons of the
matter which is producing the misery.
Take a Cascaret now; don't wait un-
til bedtime. In all the world there is
no remedy like this. A 10-cent box
means health, happiness and a clear
head for months. No more days of
gloom and distress if you will take a
Cascaret now and then. All drug-
gists sell Cascarets. Don't forget the
children—their little insides need a
good, gentle cleansing, too.

THE REASON

That Weber's roses and carnations
last longer than any others is because
they are grown 2835 feet above sea
level and each plant is backed by
forty-two years of experience in
"knowing how" to produce sturdier
plants and richer colors. You will
find them at Weber's down on Pike
street.

INFERNO

By Dante Makes a Big Run
at the Bijou Play
House.

At the Bijou theater Thursday night
the patrons of the photo-play were
given the treat of their lives when
Dante's "Inferno" was presented on
the screen, the picture being of such
length that it requires five reels of
2,000 feet each to hold the picture.
A crowded house showed the popu-
larity of the poem, and that crowded
house's patrons' praise gave proof
of the popularity of the films.

The writer will say truthfully in-
deed that it is the greatest production
that he ever saw thrown on a screen,
and he is a lover of the motion pic-
tures, having seen "The Fall of Troy,"
"The Siege of Paris," and a number
of the others of the greatest films ever
made, but this one last night, and
which will again be exhibited at the
Bijou in this city tonight, was the
best that he has ever had the pleasure
of seeing.

The scenery of the picture is beyond
imagination, and the multitude of peo-
ple which are employed in the acting
of the piece, with all of the effects
and settings make one indeed believe
that the film could easily have cost
more than the \$100,000 which it really
required to produce the film.

Last night the theater was crowd-
ed, and tonight should see one of the
largest crowds ever in the Bijou. The
wonderful acting, and the massive
and gorgeous settings will make you
feel yourself really present with
Dante in his journey through the
fiery regions, while you will gasp at
the many startling changes and mir-
acles performed before your very
eyes.

More people are seen in some of the
scenes in this picture than were ever
before exhibited in any one film. The
show is given as a regular perform-
ance, beginning at 8:30 p. m. and last-
ing for two hours. An ideal way to
spend the evening, and a picture so
startlingly realistic that you will al-
ways remember having seen it.

The great popularity of this film is
shown by the fact that in the North
at a Shubert theater, Grace George
and her popular company were de-
layed for a week while this film was
shown in the theater, and Sam Shubert
is one of the greatest theatrical
managers in the United States, there-
fore knowing what the people like and
enjoy.

After seeing the wonderful atten-
tion which is given to the most mi-
nute parts of this great picture, you
will readily understand why it re-
quired two years to make the picture.

In seeing this picture, Dante's
greatest work and his wonderfully
awful conception of the great beyond,
Hell is shown to you in its awful-
ness, its terrors are before your very
eyes. The groans of the damned, the
cries and moanings of the unclean
beat in upon your eyes. You will be
glad indeed that you have seen it.

CIGAR SHAPE

Features the Stogies a Local
Manufacturer is Mak-
ing Now.

While there are thousands of men
in and about Clarksburg who are
daily smoking the W. W. Wheatley
stogies there are few who realize the
full extent of the popularity of these
high grade, but moderate priced
smokes. Since opening his factory
on Monticello avenue a few years ago
Mr. Wheatley has enjoyed a constant
increase in business and today is the
largest stogie manufacturer in this
section of the state.

Mr. Wheatley is the originator of
the short, cigar-shaped stogie which
retails at two-for-five and while there
have been numerous attempts at imi-
tation none has been able to dupli-
cate it to its full value and attractiv-
ness. In addition to this he is man-
ufacturing other high grade stogies
which are in great demand. His
"Short Specials" at two-for-five and
the Star Brand Old Plantations are
smoked more than all other stogies
combined in Clarksburg.

Mr. Wheatley is a native of Clarks-
burg and "Believes in Clarksburg."
He is a member of the board of
trade and his rapidly growing indus-
try is deserving of the full support
of the people.
